**Modern Multicolored Guanyin Vase in Yellow Glaze with Bird and
Flower Patterns**

Brief Description of HL No. 047

This item is a multicolored Guanyin Vase in yellow glaze with bird and lotus patterns. It has a large rim, long neck, broad and shrinking shoulders, and shallow and rounded foot. A bird with beautiful feathers is perching on a lotus, which implies "addition of brilliance to the present splendor." White flowers and green leaves are set off by the yellow glaze. The painting is characterized by remarkably vivid techniques, well-arranged composition, and the fine effects achieved through the interplay of light and dark colors. The craftsmanship is mature, demonstrated by the color, luster, patterns and skillful painting. Moreover, the porcelain with bird and flower patterns is the top type among multicolored porcelains.
